DESIGN

ART DIRECTOR
& GRAPHIC DESIGNER
BASED IN DENMARK

Hello, my name is **Ana Branquinho**.
I'm a portuguese graphic designer and illustrator, based in Copenhagen.
I've been working in various creative fields and collaborating with clients from different parts of the world. I'm definitely a "people person" and I always talk to others with a smile, in a polite and respectful manner.

I want to be part of a dynamic team who loves to experiment with new challenges. I hope to continue to diversify skills all along my professional path: a designer I have to be polyvalent and that's why I am always excited to learn new things.

I speak (almost) **6 languages**:

Portuguese - mother tongue
English - full professional proficiency
Spanish - bilingual proficiency
Catalan - full professional proficiency
French - basic
Danish - beginner
